Hi
Scott:

I've attached a Zero Report for Metal Conversion Technologies for 2017. I will send it by regular mail to day. I do recall we had a SLAB permit in 2016 (and we sent you a report for it last year), but I did not realize it extended into 2017.

Can you cite the SLAB export permit numbers for both locations. I can't find them in WEITS. If they are not up on WEITS can you request to have them put up on our account?

FYI: E-Waste Brokerage Inc. is the formal NY State registered company name. WeRecycleBatteries.com is the dba for E-Waste Brokerage Inc. This is my home address, and we never ship anything from there.

We will get on these sent ASAP! Deadline is a week today!

Thank you for the CRT and SLAB annual reports which we have now received for the 2017 reporting year.

FYI, according to our database, there are 2 sites which we have no information on as yet:

Metal Conversion Technologies

[100 Industrial Drive](#)

[Cartersville, GA 30120](#)

and

E-Waste Brokerage Inc

1562 Crittendon Road

Alden, NY 14004

Both of these sites had valid consent letters for SLAB exports during some part of 2017.

Please consult your records regarding these sites at your earliest convenience.
